

Laura Azaria

Counsel, Geneva

Laura focuses on dispute resolution. She specialises in both international arbitration and litigation. She also regularly advises clients in international commercial transactions.

Laura has extensive experience in contract disputes, with a particular emphasis on infrastructure and construction projects, sales, distribution, joint venture and shareholders agreements, as well as M&A transactions. Her expertise also covers technology-related disputes, including in relation to blockchain technology and smart contracts.

She has acted as counsel, arbitrator and tribunal secretary in numerous arbitration proceedings, both ad hoc and administered. She also frequently represents parties in arbitration-related court proceedings, especially in setting aside proceedings before the Swiss Federal Supreme Court and recognition and enforcement proceedings.
