

Alec Ray

Associate, Zurich

Alec specialises in commercial and investment arbitration. He also advises clients on claim management in ongoing projects and assists with drafting and negotiating commercial contracts.

He has experience across various industries, particularly energy, infrastructure, construction, and engineering. Alec has represented clients in both ad hoc and institutional arbitration under the ICC, ICSID, FAI, and UNCITRAL Rules. He also handles arbitration-related court proceedings, including setting-aside cases before the Swiss Supreme Court.
