

Kevin J Huber Counsel, London

Kevin specialises in international commercial and investment arbitration and in litigation proceedings across both common and civil law jurisdictions.

Kevin is hailed for his “outstanding” “ability to analyse both the legal issues and the commercial implications surrounding potential arbitrations” Legal 500 UK, International Arbitration, 2025. Kevin advises international clients from a diverse set of industries, including nuclear energy, as well as oil and gas, mining, manufacturing, consumer products, financial services and insurance, with a particular focus in disputes arising out of large construction and infrastructure projects. His practice spans across all the main international arbitration rules, including ICC, LCIA, Swiss Rules, UNCITRAL and ICSID.
