New admissions to the Geneva Bar

Congratulations to LALIVE Geneva lawyers Pierre-Henri Schwarzen et Mélanie Tritten for passing the Geneva bar exam. They celebrated their achievement in November 2023 at the official ceremony honouring all successful 2023 bar candidates. The newly admitted lawyers were part of the LALIVE Geneva trainee team for 18 months and joined the firm as associates earlier this year. Partner Sandrine Giroud attended the ceremony, held at Uni-Mail.
