Business & Human Rights

**Today's essential role of the UN Guiding Principles on Business & Human Rights:
What lawyers, corporations and banks must know**

17 November 2016

University of Geneva, Boulevard du Pont d'Arve 40, 1205 Geneva

The seminar is aimed at lawyers, corporations and banks with a particular view to present and discuss the UN Guiding Principles on Business and Human Rights and their implementation. It will address a topic of increasing interest to many stakeholders as public demand for businesses to operate responsibly is growing and human rights are becoming directly relevant in today's business and legal practice.

Gathering first-rate panellists from the legal, business, academic and civil society worlds, the seminar will address numerous aspects, including practical situations, to answer what lawyers, corporations and banks should know and do in terms of Business and Human Rights.
