A ONE DAY SYMPOSIUM ON
INTERNATIONAL COMMERCIAL ARBITRATION

Thursday 21 March 2013
Sharq Village & Spa, Doha, Qatar

This symposium is kindly supported by
the Qatar International Court & Dispute Resolution Centre
and the Qatar International Centre of Arbitration (QICA)
INTRODUCTION AND FORMAT
An effective system of arbitration, whether pursuant to commercial contracts or investment treaties, has long been recognised as a vital element in the promotion of trade, foreign investment and, ultimately, international relations. Panels of eminent and experienced international arbitration practitioners will give brief presentations on some of the most important areas of international arbitration, critical to establishing and maintaining an arbitration-friendly environment, in which the international business community may have confidence. Following the brief presentations, delegates will be encouraged to participate in a free-flowing discussion of the issues raised and to debate topics of their own (which the LCIA will request in advance of the symposium).

WHO SHOULD ATTEND?
Arbitrators, in-house counsel, practitioners, academics and members of the local and international business community interested in, and affected by, current developments and best practice in the field of international arbitration.

CPD/CLE
Solicitors’ Regulation Authority/Bar Council of England and Wales: This symposium qualifies for 5¼ hours CPD.

Other jurisdictions: The LCIA will be pleased to provide a certificate of attendance which, subject to the exact CPD/CLE requirements, may be used to obtain the equivalent accreditation in other jurisdictions.
