No deductions or withholdings
All fees payable to us by you in accordance with the terms contained in this ‘Information’ section shall be paid free and clear of all deductions or withholdings whatsoever.

If any deductions or withholdings are required by law to be made from any fees payable to us by you under the terms contained in this ‘Information’ section you shall pay such sum as will, after the deduction or withholding has been made, leave us with the same amount as we would have been entitled to receive in the absence of any such requirement to make a deduction or withholding.

If we obtain the benefit of any tax credit or other relief by reference to any such deductions or withholdings, then we shall repay to you such amount as, after such repayment has been made, will leave us in no worse position than we would have been had no such deductions or withholdings been required.

Conference sell-outs
The IBA places its conference in venues of a suitable size for the event; however there are times when our conferences may sell out. Should this happen, prospective delegates will be informed and a waiting list will operate. The waiting list will function on a ‘first come, first served’ basis, subject to receiving registered delegate cancellations. The IBA will not be liable for any travel or accommodation expenses incurred by an individual who travels to the conference without a confirmed place at the event.

Cancellation of registration
If cancellation is received in writing at the IBA office by 27 February, fees will be refunded less a 25 per cent administration charge. We regret that no refunds can be made after this date. Registrations received after 27 February will not be eligible for any refund of registration fees.

Provided you have cancelled your registration to attend an IBA conference in accordance with the terms of the ‘cancellation of registration’ clause included in the ‘Information’ section of the relevant conference programme, you must then confirm to us in writing at the IBA office as soon as possible but in no event later than one year (12 calendar months) from the date of any such conference all necessary details to enable any reimbursement owed to you to be paid. We regret that no refunds will be made after the date that is one year (12 calendar months) after the date of the relevant conference.

Delegates are responsible for making accommodation reservations directly with the hotel and entering into an agreement with the hotel regarding credit card guarantees, cancellation terms and conditions, and room rates. The International Bar Association (IBA), established in 1947, is the world’s leading organisation of international legal practitioners, bar associations and law societies. The IBA influences the development of international law reform and shapes the future of the legal profession throughout the world. It has a membership of more than 55,000 individual legal professionals and 206 bar associations and law societies spanning all continents and has considerable expertise in providing assistance to the global legal community.

Grouped into two divisions – the Legal Practice Division and the Public and Professional Interest Division – the IBA covers all practice areas and professional interests, providing members with access to leading experts and up-to-date information. Through the various committees of the divisions, the IBA enables an interchange of information and views among its members as to laws, practices and professional responsibilities relating to the practice of law around the globe. Additionally, the IBAs world-class conferences provide unrivalled professional development and network-building opportunities for international legal practitioners, senior business professionals, regulators and government officials.

**IBA Art, Cultural Institutions and Heritage Committee overview**

The Committee on Art, Cultural Institutions and Heritage Law is concerned with all aspects of law as it relates to art, artists, and cultural heritage in the broadest context. This extends from archaeology and the protection of ancient monuments to national heritage and public and private collections to the art trade and contemporary art. ‘Art law’ is an interdisciplinary field involving tax (individual estates and charities), commercial transactions, intellectual property in all aspects and private and public international law.

**IBA Individual Tax and Private Client Committee overview**

The Individual Tax and Private Client Committee includes practitioners from a broad range of civil and common-law jurisdictions. The panels and the annual specialist conference organised by the committee focus on international planning and comparative law issues relevant to any practitioner involved in private client work. The issues regularly debated include:

- Individual tax in cross-border contexts, including the taxation of investment income, investment or other structures including trusts, and inheritance and estate tax;
- The use of trusts as planning and protection tools, conflicts of laws;
- International Successions, wills, probate;
- Asset protection/investment structures in common-law and civil law jurisdictions.

**IBA European Regional Forum overview**

The European Regional Forum was established in 1989 to provide a focus originally on the work undertaken by the IBA in developing the practice under changing legal systems of lawyers in Eastern and Central Europe. The forum was also intended to act as a channel for IBA communication with the bar associations of these local lawyers.

Since 2004 the forum has been developing and strengthening the existence of the IBA within the whole of Europe by promoting the goals of the IBA to members, non-members and others, disseminating professional know-how, and assisting the committees and other constituencies of the IBA to increase their presence in the different sub-regions of Europe, including parts of North Africa and the Middle East.

The goals of the forum include addressing current and long-term needs of professional organisations and individual members within the geographical reach of the forum, as well as increasing membership and participation in the IBA and integrating them within the organisation. The forum will also facilitate cross-border activity between lawyers and bars in different European countries. The forum has a particular focus on cross-disciplinary activities.

The forum seeks to facilitate relevant networking and information/experience sharing opportunities and encompasses the social and collegial interests of both members and potential members with other regional fora, the Corporate Counsel Forum and the Young Lawyers Committee and all LPD committees in general.
