

State Owned Enterprises: It's Unique Features & Unique Challenges
(CBIC Series A: The Future Cross Border Corporate Landscape)

Date: May 9, 2015, Saturday
Time: 8:30 - 10:00 (30 minute break follows, then followed by AGM)
Duration: 90 minutes
Venue: Theater 1
Committee: [Cross Border Investment Committee](#) (Stand-alone session)

Synopsis: This session will take an honest look into state owned enterprises (SOE's). It will discuss how SOE's are different from private enterprises in terms of internal approval process, non-business considerations, etc. The panelists will present solutions and advise on how to manage cross border investment transaction and joint ventures with SOE's. Recent trends on privatization of SOE's against the backdrop of the transformation of command economies into market economies vis-à-vis the realities of the SOE's negotiation leverage, exemptions and incentives and their continuing presence in large scale investments, infrastructures and resources, utilities, and communications.
