“It takes two to tango – How to deal with Respondents’ Non-Participation in International Arbitration”

Dear DIS40 members,

We kindly invite you to the upcoming DIS40 Munich online event:

“It takes two to tango – How to deal with Respondents’ Non-Participation in International Arbitration”

5 November 2020, 6:30 pm, online

How to proceed with an arbitration when a respondent refuses to participate? How do the competing interests and rights of claimants and non-participating respondents influence the arbitral process? Is there any best practice for claimants and tribunals on how to deal with the non-participation of respondents?

We will discuss these and other issues with Courtney Furner (Lalive) and Florian Loibl (Latham & Watkins). The webinar will be moderated by Nathalie Lengert (Schmitt Reichert Partners).

The panel discussion will be followed by an online get-together with the opportunity for networking.

Date: 5 November 2020, 6:30 pm

Location: Online-Event

We kindly ask you to register by 2 November 2020 with sekretariat@ehw-partners.com. Due to technical reasons, the number of participants is limited to 30.

Participants whose registration is confirmed will receive the log-in details by separate e-mail prior to the webinar.

Kind regards,

Christian Stretz Nadine Lederer
