PROGRAM

Although we cannot meet in person due to the pandemic, we are reviving the ICDR Y&I Swiss Chalet Debate, this time virtually!

A panel of experienced arbitration practitioners will address the following topics:

- **Summary dispositions** – A helpful development in international commercial arbitration?
- **Document production** – Should commercial arbitration further restrict the scope of document production?

ICDR Y&I Global Advisory Board members Anya Marinkovich and Ben Moss will be hosting the event, which will be followed by a **networking session** for all of you wanting to meet fellow arbitration practitioners in Geneva (although those based elsewhere are of course very welcome to join us too!)
