

# Arbitration and Technology. Technology and Arbitration - Views from Eastern Europe

16 SEPTEMBER 2022 / HITS: 17227

Please join us for the first joint **YRAP** (Young Romanian Arbitration Practitioners) and **YAAP** (Young Austrian Arbitration Practitioners) conference organized in cooperation with **VIAC** on 6 October 2022 in Bucharest.

Our panelists will be discussing the timely topic of the interplay between arbitration and technology: what are the needs of tech companies and how can arbitration help? What is the role of technology in solving arbitration disputes? What tech tools do arbitration lawyers use and need?

Thank you to our amazing sponsors without whom the event would not be possible:

- Gold Sponsor: **PwC Romania**
- Silver Sponsors: **Jus Mundi, Hanotiau & van den Berg, Knoetzl** and **Zamfirescu Racoti Vasile & Partners**
- Bronze Sponsors: **Vienna International Arbitral Centre, Wolters Kluwer Romania**

Thank you also to our media partners: **Juridice** and **CEE Legal Matters**.
