### Name

Session 4: The FIDIC Green Book 2021 - helping you manage project risk with less resources

### Description

FIDIC Green Book 2021 is a versatile contract that can be used on projects where the perceived level of risk is low, and/or where construction parties wish to use a form which is simple to use and does not require significant contract administration and management resources.

This session will discuss the key aspects of this contract in the regional context:

- Projects suitable for 2021 Green Book.
- Pricing structure.
- Use of the Engineer.
- Risk allocation.
- Insurance requirements.
- Pre-defined damages.
- Dispute resolution mechanism.
- Considerations when using the 2021 Green Book.

Moderator:

- Mahmoud Abu Hussein, Vice Chair, FIDIC Contracts Committee

### Speakers

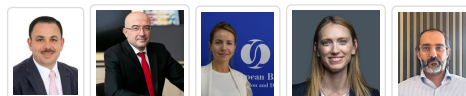

Mahmoud Abu Hussein - FIDIC Contracts Committee

Vincent Leloup - FIDIC Contracts Committee

Yulia Martyushina - European Bank for Reconstruction and Development (EBRD)

China Irwin - LALIVE

Nabeel Khokhar - Construction Contract Consulting
